Nuts & Allergens Information

Allergens

All 14 allergens are handled in our kitchen. While we take every reasonable precaution to avoid cross-contamination, we cannot guarantee that any product is entirely allergen-free

Nuts

We must also make you aware that as we prepare and cook all of our food some of which includes nuts in one kitchen and whilst we take precautions, due to the potential for cross contact in our busy kitchen it is possible that there may be nuts or traces of nuts in the food delivered to you
